## **Financial Policies and Procedures**

### **Insurance:**

**You must bring your insurance card(s) to every visit and inform us of any changes as they occur.**

Moundville Primary Care Associates participates with various insurance companies. We will be happy to assist you, but it is the patient's responsibility to know your insurance benefits, copays, deductibles and whether our physician is in network with your insurance policy(ies). Most insurances will not pay for everything. If a service is non-covered, the fees will become the responsibility of the patient or guarantor. All copays, deductibles or non-covered charges are due at the time of service regardless of who brings the patient in for his/her visit. We gladly accept Cash, Check, Visa, Mastercard, Discover and American Express as forms of payment. There is a 3% processing fee added to all credit transactions.

### **Private Pay:**

If you experience a gap in coverage, Moundville Primary Care Associates will require payment in full for each office visit, due at the time of service. Upon check in, an initial payment of \$110.00, will be collected. When you are discharged, the remaining balance will be collected before departure.

### **Billing Policy:**

As a courtesy, we will gladly file your office visit claim to your insurance company. Once your insurance has paid, any patient balances remaining will be billed to the patient or responsible party. If you are unable to make your payment in full, we ask that you contact our billing office to discuss a payment plan. If your balance remains unpaid for 90 days we may, at our discretion, turn your account over to an outside collection agency. You will be responsible for the fees assessed by the collection agency. This outstanding debt may also be listed with local, regional, or national credit-reporting agencies and may have a negative effect on the granting of future credit. All lab work sent to one of our reference labs for testing, will be billed separately by the reference lab that performs the testing. All DCH labs must go to DCH for testing & All Select Lab tests must go to Quest. Please alert the front & nursing staff of your insurance.

### **Minors:**

If a patient is a minor (18 years or younger), the parent or guardian is responsible for any payment due at time of service. Please understand that both parents are financially responsible for payment on the account under all circumstances.

### **Returned Checks:**

If your check is returned to Moundville Primary Care Associates unpaid, a \$30.00 returned check fee will be assessed in addition to the amount of the returned check. We can only accept cash or credit card payments for the returned check and fee. Both the check amount and fee must be paid together. If left unpaid, your check will be turned over to the Worthless Check Unit for collection.

### **Completion of Forms/Medical Records:**

There is a fee and a 48-hour waiting period for all medical forms. Please do not ask the physician/provider to complete forms in the room or leave them with him/her. All forms must be reviewed for accuracy and completion, and we need to have a copy for your file. Please check with our office staff in advance on the cost(s) of each request. Also, to release any medical records, we must have a release of information signed by the patient or parent/guarantor. There is a fee, as well as a waiting period, of up to 30 days, for all medical records requests. Due to HIPAA regulations, when picking up records/information, please bring your Driver's License or ID for verification.

### **Appointment Cancellation:**

Please give a 24-hour notice if you are unable to make your appointment. There will be a charge of \$50.00 for all appointments that are not cancelled at least 24 hours prior to appointment.

### **Prescriptions:**

We will refill your prescription as soon as we are able but please allow a 48-hour turnaround time. No routine prescriptions will be called in at night or on the weekend. There is a charge for prescriptions that must be printed.
